The following **Development Permit Complete Application Requirement List** outlines all of the information necessary to evaluate and provide a timely decision on your application.

Only applications that are complete will be accepted. Applications and materials submitted must be clear, legible and precise. Plans submitted should be to a professional drafting standard. We are currently unable to accept digital applications. Thank you for your co-operation.

All plans submitted must:

- contain a title block with information such as:**
 - address, legal description
 - uses, project name, applicant name and contact information
- be sorted into sets:**
 - sets should be folded to a size no larger than 8-1/2" x 14"
 - sets may be accordion-pleated, provided they can be hole punched in the top left-hand corner
- paper size:**
 - all plans submitted must be on the same sized paper
 - drawings are clear and legible
 - minimum scale 1:100
 - drawings must be contained on each page (1 plan should not span two pages)
- be clear of any previous approval stamps and/or notations:**

The Development Authority may require additional material considered necessary to properly evaluate the proposed development (as stated in Part 2 section 28(3) of Land Use Bylaw 1P2007).

All terms of reference are based on the defined terms in Land Use Bylaw 1P2007.
